

ALLENDALE TOWN HALL MEETING

WEDNESDAY, FEBRUARY 7TH

7PM - 9:30PM

Allendale Borough Hall - Council Chambers
500 West Crescent Ave. Allendale, NJ

“White Tailed Deer - Biology, Ecology and Management”

The NJ Department of Environmental Protection and a deer biologist from the Division of Fish & Game will present an informational and exploratory session on wildlife management.

Some of the topics to be discussed:

- ✓ Deer-human contacts and deer overpopulation
- ✓ Immunocontraception
- ✓ Forest health
- ✓ Feeding of wildlife, impact and management
- ✓ Laws, regulations, trespass concerns and more...

Please go to: <http://www.nj.gov/dep/fgw/> for additional information.

For questions on this event contact an Allendale official through Borough Hall or the Borough website www.allendalenj.gov
